Stay Ahead with the Latest CISM Exam Blueprint

The Certified Information Systems Manager (CISM) certification is a highly sought-after credential in the field of information security. As an industry-leading certification, it validates your knowledge and expertise in information security management. To help you succeed in your CISM certification journey, we are proud to announce the release of the updated CISM Review Manual, 15th Edition.

Comprehensive Coverage for Exam Success

The CISM Review Manual, 15th Edition, has undergone a comprehensive revision to align with the latest CISM exam blueprint. This ensures that you have access to the most up-to-date information and resources to prepare

for the exam. The manual covers all four domains of the CISM exam in depth, providing a solid foundation for your preparation:

- **Domain 1: Information Security Governance**
- **Domain 2: Information Risk Management**
- **Domain 3: Information Security Program Development and Management**
- **Domain 4: Information Security Incident Management**

Expert Insights and Real-World Examples

Written by a team of experienced information security professionals, the CISM Review Manual, 15th Edition, provides expert insights and real-world examples to help you understand the concepts and apply them to practical scenarios. The manual features:

- Detailed explanations of key concepts
- Case studies and examples to illustrate real-world applications
- Practice questions to test your understanding

Cutting-Edge Resources for Enhanced Learning

Along with the comprehensive content, the CISM Review Manual, 15th Edition, comes with a suite of cutting-edge resources to enhance your learning experience:

- **Interactive online platform:** Access practice questions, flashcards, and additional resources online

- **Mobile app:** Study on the go with our convenient mobile app
- **Expert support:** Get your questions answered by our team of experts

Your Path to CISM Success

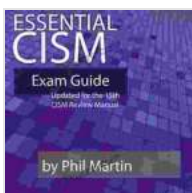

Whether you are a seasoned professional or just starting your journey in information security, the CISM Review Manual, 15th Edition, is your ultimate resource for CISM certification success. With its updated content, expert insights, and cutting-edge resources, you will be well-equipped to pass the exam and advance your career in information security management.
