What's Inside the Outward Bound Map and Compass Handbook?

The Outward Bound Map and Compass Handbook is divided into four parts:

1. Part 1: Map Reading Basics

This section covers the basics of map reading, including how to identify different map features, understand map scales, and use a map to plan a route.

2. Part 2: Compass Use

This section covers the basics of compass use, including how to orient a compass, take bearings, and use a compass to navigate in the wilderness.

3. **Part 3: GPS Use**

This section covers the basics of GPS use, including how to use a GPS receiver, create waypoints, and navigate using GPS.

4. **Part 4: Putting It All Together**

This section covers how to use map and compass skills together to navigate in the wilderness. It also includes tips on how to choose the right map and compass for your needs, and how to use navigation skills in different types of terrain.

Who Should Read the Outward Bound Map and Compass Handbook?

The Outward Bound Map and Compass Handbook is a valuable resource for anyone who enjoys spending time in the wilderness. Whether you're a beginner who's just learning how to read a map or an experienced hiker who wants to improve your navigation skills, this book has something to offer you.
